HALLOWEEN CARNIVAL AT PERRY

When Perry School PTA held the second association meeting of the semester Tuesday of last week with Mrs. W. A. Wright, president, presiding, enthusiastic plans were made for the Halloween Carnival to be held Saturday, October 28, beginning at 1 p.m.

Mrs. I. E. Wither, ways and means chairman, announced a paper drive scheduled for November 3.

Questions in the "Question Box" were left unanswered due to the principal and faculty members attending the meeting at the high school at which Dr. Harold Albert spoke. The questions will be answered at the November meeting.

Legion Auxiliary Holds Active Evening Session

Mrs. C. P. Olson presided over the regular business meeting of the Auxiliary of Bert S. Crossland Post 170, held Wednesday evening of last week in Legion clubhouse.

Following introduction of two new members, Mrs. B. W. Roberts and Mrs. B. P. Whitney, Mrs. Persia K. Fess, past president, reported on the National Convention held recently in Los Angeles.

The Crusade for Freedom was endorsed and scrolls were signed by all members and guests present.

Committee reports were highlighted by that given by the education program chairman, Evelyn O'Hara. Mrs. O'Hara explained all the opportunities offered through the Legion Education Fund and the various scholarships that may be earned by children of veterans. She asks that all Auxiliary members acquaint themselves with this information so that eligible students may take advantage of the fund.

During the evening a citation was presented to Persia Fess for achievement within the unit during the past year, and also for her personal work as unit president in 1949-1950.

The social hour, with Gertrude Boyle as chairman, featured musical games, which carried out the "Schools" theme. Evelyn O'Hara and Ada Siegfried served refreshments.

Attention was called to the monthly benefit card parties which are being held at the clubhouse. The public is invited and urged to attend as the funds will be used in the Auxiliary's Child Welfare and Rehabilitation work, according to Mrs. C. B. Walls, publicity chairman.

At the recent meeting of 19th District held in Maywood, Mrs. Persia K. Fess was honored by election to the office of Pan American chairman, with 32 units under her jurisdiction.

Reflections

By J. Hugh Shertey, Jr.

A GOAL WORTHWHILE

To aspire to great material riches is commendable, but it is transitory. To strive for your name on the walls of fame may lead you to great heights but fame is obliterated with time. The goal most enduring is not riches, nor fame but kindness.

You respect the rich man but love the kind one. You instinctively go to him who understands, who holds out his hand in friendship, whose heart beats in rhythm with yours. He is the one who stimulates confidence in yourself, who points the way to clear and straight thinking, who creates a desire for truth and nothing short of truth. He burnishes your personality until it shines; you are standing on heights close to a heaven of mortal man. Kindness leads to unbelievable riches—the love of fellowman. It is a goal worthwhile.
